No problem. That part would be nice but is not critical. We are still on for Thursday afternoon.

All:

Sorry to throw a wrinkle in this but I have a conflict with a few folks here at HQ now for Thursday. Is there any time we can do this on Friday 12/17?

If Friday is a no go, we can keep it on Thursday but Friday is better.

Thanks, Palmer

Palmer and Shoren,  
It looks like, Thursday, 12/16 at 11 AKST, 12 PST and 3 EST  
will work.  
We need to figure out the logistics. I am also fine with  
meeting at the  
TNC office in Anchorage if that works best for everyone. ??  
Phil

Yeah, Phil, that's just fine. Whenever we're finished with TNC

we can  
start our own discussion. Will we be meeting at their office  
downtown?

Dan

TNC will be presenting their risk assessment to EPA. We are  
tentatively  
looking at 11:00am on 12/16, just before my proposed time to  
meet to  
discuss our own risk assessment. Will this set of times work  
for you?
